CONTENTS

AMELIORATION, FARMING, CROP PRODUCTION.....**5**

Dovhelia O.M., Shatkovskyi A.P., Melnychuk F.S., Alekseeva S.A., Antonenko O.O., Vlasenko O.V., Borodin I.D. Optimizing plant stand density of maize depending on the moisture supply in the Forest–Steppe of Ukraine.....**5**

Zhyhailo D.S., Marchenko T.Yu., Mishchenko S.V., Lavrynenko Yu.O., Marchenko V.D. Influence of agrotechnological elements on photosynthetic parameters of winter rapeseed (*Brassica napus* L.) hybrids in the conditions of Southern Ukraine.....**14**

Zhygailo T.S., Zhygailo O.I., Danchuk O.V., Grafov A.V., Kozyrev V.V., Zherebchuk S.V., Piliarska O.O. Assessment and control of heavy metal contamination in alfalfa green mass yield on irrigated lands of Odesa Region.....**25**

Kravchenko N.V., Hnitetskyi M.O., Mozharivska I.A. Biochar-assisted phytoremediation of soils as an innovative technology for the restoration of agroecosystems contaminated with heavy metals.....**32**

Lykhovyd P.V., Retman M.S., Karashchuk G.V., Zhuikov O.H., Kazanok O.O. Monitoring salinity in soils of the Ingulets irrigation array using aerospace data.....**37**

Medonchak O.V., Khonenko L.H. Yield of cucumber fruits of different marketable fractions depending on the hybrid, biopreparations and microfertilizers under drip irrigation in the Southern Steppe of Ukraine.....**44**

Senyk I.I., Gramiak R.P. Adapting chemical protection for rapeseed (*Brassica napus L. Oleifera*) in Ukraine to European requirements.....**51**

Simchuk A.P., Zaika V.K., Hryhoriv Ya.Ya., Dmytryk P.M., Dushko P.M. Trends in sunflower cultivation in Ukraine.....**57**

Tsyliuryk O.I., Tyshchenko V.O. Agrobiological adaptability of maize hybrids under different stand densities and mineral nutrition in the Northern Steppe of Ukraine.....**63**

BREEDING, SEED FARMING.....**71**

Koval V.S. Assessment of potato gene pool components for resistance to *Phytophthora infestans* (Mont.) de Bary.....**71**
